Chief Secy (2nd member) 18.7.18

I had my own doubts in the matter & I expressed same to the Ch Secy at the time & I see that they are confirmed now! I feared a muddle had been made by the C.I. Maker with I am afraid a hasty message if the order placed with the C.I. with the firm already by letter now cancelled by cable & placed in their London Agents for execution. It is best to let matters stand as they are before. Let the C.I. complete the transaction on this occasion himself. Letter to Jeremiah Lyon & Co need not issue. Suitable letter may be sent to the C.I.

Dear Mr. Balasundaram Iyer,

With reference to my D.O. letter No. C.564 dated th 9th June 1919, stating that no order was placed direct fr his office for the purchase of the Saw Mill in America, I asten to inform you that an order has been sent direct to the firm, through misapprehension in my office sending copies o the same, one to you and the other to the Revenue Secretar as surmised by you. This was a clear mistake on the part of my office since it was not intended by me that the orde should be sent direct. Suitable notice will be taken of the conduct of the official responsible for this irregular I regret very much for the mistake that has been made and request you to be so good as to inform me whether I might cable to the firm to hold execution of order in abeyance, pending confirmation of the same through the London Agent of Government.
